EXPERIENCE

GoHealth – Lindon, Utah   04/2020
Senior Benefits Consultant   Present

Help several hundreds of my clients use their Medicare Advantage, Supplement, and Prescription Drug benefits by being thorough with my questions, detailed in my responses, and diligent in my note keeping.
- Mentored agents and managers on best practices in selling Medicare insurance products compliantly, ethically, and efficiently.
- Focused on translating the complexities associated with insurance into smaller chunks that people can understand when speaking with them over the phone
- Helping clients not only understand their benefits but breaking those benefits down into a step-by-step action plan that those clients can then use to utilize their benefits efficiently

Clearlink Insurance Agency – Salt Lake City, Utah   09/2018
Insurance Executive   04/2020

Created a very impressive book of business throughout three different departments, as well as contributed to the overall success of the company by improving procedures and documents.

- Achieve monthly metrics to reach GMV goals and drive company growth
- Collaborated with coworkers to improve and streamline company procedures
- Rewrote company sales templates to increase employee efficiency and increase client conversion
